SECTIONAL AUTO TIRE

If One Compartment is Punctured It is Easily Replaced.

An automobile tire that holds air to be popular, especially among motorists who have had many punctures, is the sectional tire designed by a Wisconsin man. This tire is made in a number of sections, say twelve, and each piece is absolutely independent of the others. Each section has its own valve and the tire is inflated separately and when all are blown up they hold together as firmly as if they were one solid piece of rubber. The advantage of this invention is readily apparent. When

CHEAP AND EASY TO REPAIR.

one of these sections is punctured or otherwise damaged it can be taken out and replaced. If it is so badly damaged as to be useless it can be thrown away and another section, of which several extra ones are carried, put in its place. This sectional tire is not only easy to fix, but is cheaper than the old style, inasmuch as irreparable damage to one spot does not make the whole worthless, but that weakness can be repaired in a few minutes and with little cost.

JOHNSON IS FIT FOR THE RING

But He Is Getting Weary Over Jeffries' Failure to Sign Up.

(By Tad.)

New York, Sept. 30.—Sam Fitzpatrick, the former manager of Jack Johnson, is back with the colored champion at the Seal Rock house, in San Francisco, and it looks as though matters have been fixed up between the pair.

Sam brought the colored fellow to the front when he was an outsider, stayed with him until he beat Tommy Burns, and then for some reason or other Johnson shook him and started out alone.

Johnson never had a more popular nor more conscientious manager than Sam and every sporting man in the country will be glad to see the pair together again.

Fitzpatrick's popularity went a long way to help Johnson along to the front, and now that Artha is in a position to draw all the money in the world and pick anything in the fighting line he wants, it is to be hoped that Sam cuts in some to help pay for the bother in months past.

Johnson is working at the Seal Rock house in Frisco now and they say he's tearing up the beach at a great rate.

This is the old training quarters of Tom Sharkey and Terry McGovern. The Pacific ocean is directly in front of the door and the Golden Gate is at the back. For swimming and road work it is a hard place to beat.

The colored fellow will be in grand shape for the fight on October 12. It is about time he shook that embonpoint, as we say at the club.

Jack Johnson, following his ultimatum yesterday to Stanley Ketchel, that he would not suffer a postponement of his match with the middleweight October 12, today made a positive statement that he would give James J. Jeffries until October 10 to sign articles for their proposed match.

"If Jeffries doesn't sign a further set of articles by October 10 I will scratch the retired heavyweight off my list," said Johnson.

"We have been fooling with Jeffries long enough and I have decided to give him this last notice. When we deposited our money in Chicago and signed a tentative set of articles with Sam Berger, representing Jeffries, two months were allowed for final settlement. Since then there has been nothing from Jeffries to indicate that he wants to fight."

JOHNSON PICKS THE TIGERS TO WIN

American League President Thinks They Will Also Beat Pittsburgh.

Chicago, Sept. 30.—President Johnson of the American league says the Detroit Tigers will win the pennant in his organization.

"Jennings has several plans, a string of good pitchers and it looks to me as though the Detroit club would be able to hold its own and win out ahead of the Athletics," said the American league executive. "Connie Mack has a good team, but it is made up largely of youngsters, and I don't think they can stand the gauntlet when it comes down to winning the one crucial game. That is where the young players fall down and where the veterans win out."

"If Detroit wins the American league championship it will win the world's championship. Detroit has a better team than the two that faced the Cubs and were beaten, and I think Jennings has a better string of pitchers than the Pittsburgh club can put up against the Tigers."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. It is free. **DR. J. C. SEVENTH WARD FAIR SUCCESSFULLY OPENS

The opening night of the Seventh Ward fair and bazaar was most successful. The fair is being given so that money can be raised which will go toward building a new meeting house in that ward. There are booths with exhibits of fancy work, plain sewing, groceries, meats, fruits, flowers, bread, cakes and a booth for refreshments, where lemonade, ice cream and punch is served.

In connection with the fair, there is a voting contest going on, for the election of the most popular girl in the ward. At the close of the voting last night, Miss Fern Farr led the list with 255 votes. Miss Hattie Jones received 245 and Miss Sylvia Shaw was third with 190. The prize which will be given for the most popular girl, will be a \$25 painting, which has been donated by Mrs. H. E. Savage. The girl receiving the largest number of votes at the end of each day's contest will also be presented with a large bouquet of flowers.

The Hall of Relics is filled with many valuable and interesting curios which were brought across the prairies by the pioneers, over half a century ago.

The music last night was furnished by the Fourth Ward band and for tonight the Frey orchestra has been secured.

The fair will close next Friday night.

TABERNACLE CHOIR TO SING IN SALT LAKE
The Ogden Tabernacle choir has received and accepted an invitation to furnish the entire musical program for the evening session of conference in the great Tabernacle, Salt Lake city, next Sunday. It is a deserved compliment to this great musical organization which has won fame abroad as well as at home.

Prof. Jos Ballantyne said to a representative of this paper that the last rehearsal would be held this (Thursday) evening. The doors of the Tabernacle will be open so that the public may have an opportunity to attend a real rehearsal of this splendid singing body.

The six big choruses to be rendered in Salt Lake city next Sunday night will be rehearsed. The expense of taking the choir to Salt Lake will be paid by the church authorities in Salt Lake.
